

ABOUT BEHRING SEA

CANADA WANTS TO TAKE SEALS THERE.

Return of Sir John Thompson From His Conference With the British Ministry on the Subject.

OTTAWA, August 27.—Sir John Thompson, Minister of Justice, has returned from England where he went to lay the Canadian case in connection with the Behring Sea question before the British government. That the position of the pending negotiations between Great Britain and the United States is far from satisfactory, is not difficult to discover from the way in which the matter is referred to by members of the cabinet. Sir John Thompson says England will not recede from the position she has taken to protect the right of her Canadian colony. It appears that the Canadian government is opposed to having the matter referred to arbitration and urged the British government to at once proclaim the right of the Canadian sealing vessels to enter Behring Sea and insists upon the United States reimbursing the owners of the seized sealers for the loss sustained. Sir John found the British government to be fully determined to propose arbitration as a means of settlement in the absence of any satisfactory understanding being arrived at with the United States.

THE REPUBLICANS.

Another Adjournment Taken to Await the Absent Delegates.

Pursuant to adjournment the Republican Territorial Convention met at the Opera House yesterday at 10 a. m. Webster Street, a member of the Territorial Central Committee, called the Convention to order in the absence of the Chairman and Secretary. Upon informal motion it was agreed to meet in caucus at 7:30 p. m., at the Court house.

A committee, consisting of J. B. Woodward, Geo. E. Brown and N. A. Morford, was appointed to tender to the Democratic County Convention the use of the Opera House for the day and evening. Upon motion of George E. Brown the Convention took a recess until 10 a. m. Thursday, to await the arrival of delayed delegates.

OHIO DEMOCRATS.

Their State Convention Condemns Speaker Reed and the Tariff Bill.

SPRINGFIELD, O., August 27.—At a meeting of the Democratic State Convention today Thaddeus E. Crowley, of Pickaway county, was nominated for Secretary of State, George B. Olney, of Franklin, was nominated for Judge of the Supreme Court, Leopold Kiefer was nominated a member of the Board of Public Works.

The platform adopted declares that tariff taxes should be for revenue only. The party favors the free coinage of silver at its present ratio with gold and favors equitable pension laws. The Federal Election bill is denounced as a "measure begotten in partisan desperation to perpetuate the power of the Republican Party." The platform concludes "we denounce the despotic code of rules adopted by the present House of Representatives and the lawless and arbitrary proceedings of its presiding officer as the direct results of criminal conspiracy to plunder the treasury and oppress the people and to perpetuate the fraudulently acquired power of the Republican party."

NATURALIZATION TROUBLES.

A United States Marshal Arrests Seven Aldermen in Maine.

BIDDEFORD, Me., August 27.—A sensation was created this morning when United States Marshal Sanders placed under arrest seven Aldermen of Biddeford and took them to Portland on warrants from the United States District Court. They are charged with neglecting to strike from the Biddeford voting list the names of parties not legally entitled to vote, and for conspiracy in arranging a place on the list for names of persons not legal voters. The action is the culmination of recent naturalization troubles in Biddeford.

COMING TO A FOCUS.

The Knights of Labor Will Call Out Every Man.

NEW YORK, August 27.—The Knights of Labor have played their last card against the New York Central railroad. All they can do now is to await the result. By tonight they will have called out every man who owes them allegiance and the strike will be enforced as strong as the organization can enforce it. Railroad officials ridicule the efforts of Powderly to tie up the Central.

Wisconsin Democrats.

MILWAUKEE, August 27.—The Democratic State Convention met at noon. The Convention will, without doubt, demand a repeal of the Bennett school laws. The usual committees were appointed, with Hon. W. F. Vilas as chairman of the committee on resolutions.

A Locomotive Plays Havoc.

MANSFIELD, Ohio, August 27.—A locomotive on a freight train on the New York, Pennsylvania and Ohio Railroad exploded this morning. Both engineer and fireman were instantly killed. The fire communicated to some oil cars, of which five were destroyed.
